"Off the Record was outstanding and extremely easy to work/coordinate with. We asked them to learn a couple songs that weren't on their list and when they performed them, it sounded like they had been playing them for years! Also, our guests had a great time and raved about the band. We wouldn't hesitate to recommend them to friends and family!"

-Ivy Binder, June 21, 2014, 40th birthday celebration, Denver, CO

"I have had the privilege of working with Pat Emerine and "Off the Record" the past two years for the Legends of Skiing banquet for the Vail Valley Foundation... The audience covers all ages and includes a number of Europeans as well as Americans. Each year the chant "one more song" is heard as the time comes to end the music. I cannot speak highly enough of the band and Pat Emerine; always professional, timely, and great fun."

-Event Coordinator, Annual "Legends of Ski" Banquet, March 22, 2014, Vail Cascade Spa & Resort

"Pat, my thanks to you and Off the Record for such a fun event on Saturday! I have only been at work a short time today and already many who were at the party on Saturday have stopped by to tell me what a fun time they had, and what a great band you all are! Thank you so much for making this year's Holiday party one of the best ever! Happy Holidays!"

*“Pat and “**Off the Record**” was a real pleasure to work with throughout our wedding planning and, most importantly, the band was awesome on our wedding night. Pat is a consummate professional and was very helpful to us in thinking through our wedding day, offering suggestions along the way and giving us a great deal of confidence that he had everything covered. Additionally, **Off the Record** provided great acoustic music during our ceremony with a professional sound system, wireless mics and made it very easy (and cost effective for us). For the reception, Pat was very flexible in working with us to understand our song preferences, get the band to play specific songs for our special dances and he and the band brought great sound and contagious energy to the party – the dance floor was rocking all night! We knew the band would be one of the most important parts of our special day, and **Off the Record** delivered!”*

-Bride, September 7, 2013 wedding, Stanley Hotel

*“**Off the Record** is a professional act in every aspect - from vocal and instrumental talent and stage presence to off stage comportment and business relations. Their song selection and ability to gauge the pulse of the audience is unmatched. I would welcome **Off the Record** back again.*

-Talent Buyer, September 2013 Concert, Frisco, Colorado

*“Patrick Emerine and **Off the Record** are great to work with! From the first phone call all the way through their performance, the process and communication was easy. The crowd of over 400 at their concert absolutely loved their music, and a lot of fun was had by all!”*

"We wanted to let you know how much we enjoyed your band at our daughter's wedding last Saturday! You did a fantastic job on their special first dance song, and then you had everyone dancing all night! You guys are great - and I love your lead guitarist! Thanks again for making our daughter's wedding so special!"

-Mother of the bride, June 2013 wedding, The Golf Club at Castle Pines, Castle Rock, CO

"You guys are the best band we've had up here in 10 years!"

-Festival attendee, Eagle Flight Days, June 2013, Eagle, CO

*"I recently hired **Off the Record** for our international event the “American Ski Classic’s Legends of Honor Dinner”... this year’s event honored ski legend and Olympic gold medalist Tamara McKinney. The band was absolutely great! Even though the guests had been skiing all day, then after a big dinner, sat through some very long speeches, and were planning on skiing early the next morning, **Off the Record** got them on the dance floor with their first song, and kept them there 'til the very end of the event! As well, the band's leader- Pat - is a joy to work with. He asks all the right questions and anticipates potential issues. He's obviously a pro at this! I would not hesitate to hire this band again in the future."*
